

ANTIQUE CAR MUSEUM TOUR

Saturday, July 17, 2021, 1:00-3:00 p.m.

Get ready for a little nostalgia! Poodle skirts and ducktail haircuts are acceptable.

Join us to view, touch, and sit in some of the most treasured vehicles from the past. There may be some from your high school days.

We have arranged to visit a local car museum on Kenton Lands Road in Erlanger with approximately 180 cars from the past.

During the tour our guide will provide some info about the cars as well as some interesting trivia. We will have water bottles and pastries at the museum.

We hope you will join us for this event. Bring your friends. Masks are optional.

DIRECTIONS: 21 Kenton Lands Road. (one block west from Dixie Hwy toward the Kenton County Library, but before the underpass) Look for the NKHL sign on the left. Park in the front lot and walk back to the entrance. If needed, drive through and drop off handicapped at the door—then proceed to park out in the front lot.

PRICE: \$10 member, \$15 guest

Please note: Reservations and checks sent to us in 2020 have been voided and destroyed.

ANTIQUE CAR MUSEUM TOUR

Please include me (us) for this nostalgic afternoon:

Reserve seats for _____ members at \$10 each \$ _____
